YEARLY CONTRACT: \$2850.00/year (\$237.50/month)

If you skate more than 5 times a week, contract ice is the way to go!

6 x \$11 x 4 weeks = \$264 per month if you pay hourly walk on rate compared to \$237.50 to skate as many free style sessions as you want per month!

Yearly contract termination: If you wish to terminate your yearly contract, you may do so by paying a termination fee of \$75 per month times the number of months you skated on the yearly contract.

Example: Started contract in June and terminated in January.

Skated 8 months of annual contract. \$75 x 8 months = \$600 termination fee.

Ice may be cancelled due to competitive ice or holidays. Rink will try to give at least one week's notice for any cancelled ice. Instructors are responsible for the rink openings in the mornings not Twin Ponds rink staff. Contract may be suspended due to major medical reasons(doctor's note required to suspend or terminate contract). A discount for additional immediate family members will be \$25 1st, \$50 2nd, \$75 3rd. Diane Heckendorn or Linda Caldwell will handle all accounts. A credit card number must be kept on file.
